SPRINGER CAPITAL

INTERNSHIP COMPLETION CERTIFICATE

This is to certify that **Mohammed Shaaz** has successfully completed his internship in **Data Engineering** at **Springer Capital Investments LLC** from **January 31, 2026 to April 1, 2026**.

During the internship, he demonstrated strong problem-solving skills, attention to detail, and a proactive learning attitude. He worked on building and managing end-to-end data pipelines, gaining hands-on experience with modern data engineering tools and workflows.

He developed a data ingestion pipeline using **Python, SQL, Apache Airflow, and PostgreSQL**, with a containerized environment using Docker. His work included validating data schemas, performing data cleaning and transformation, handling duplicate records, and ensuring reliable and repeatable data loading processes.

In addition, he contributed to designing structured data transformation layers (Bronze to Silver to Gold), implementing data quality checks, deduplication logic, and preparing analytics-ready datasets for reporting. He also created clear documentation and runbooks to support reproducibility and ease of maintenance.

Throughout the internship, he maintained professionalism, communicated effectively, and adapted well to a dynamic work environment. His analytical thinking and dedication contributed positively to team efficiency and process improvement.

We appreciate his efforts and wish him continued success in his academic and professional career.
